LODGE NEWS

OYSTER SUPPER FOR ODD FEI

Next Monday night will be a Red had to consider. Letter occasion for the Odd Fellows. There will be degree work and ions exactly similar to you, and has after the formal meeting those gone into the trades unions solely present will enjoy an oyster suppers on the theory of 'boring under' and made to make the meeting a most movement for syndicalism?" the successful one and all members of chairman asked. the lodge are urged to be present. It is hoped that a large attendance will be on hand.

The lodge is picking up in interest and there are several applications pending for membership and retain his integrity as a syndicalist the degree team is making proparations for an active season. Odd Fellows are urged to attend the meetings every Monday night.

Degrees Conferred.

At the regular weekly meeting of Union Lodge, Odd Fellows, Mon day night, the second degree of the order was conferred on My Louis B. Randal and Mr. R. 1 Spencer. The work was impressive ly executed and the attendance was well above the average.

The lodge is launching a campaign for a larger attendance and though an executive session will be ent next Monday night,

There will be an oyster suppoafter the lodge works in the third degree.

Come on, brothers and help make this season a banner one for the good old order or Odd Fellowship The meeting will be held at 7:30

Attention, Royal Arch Masons There will be a special convocation of Columbus Chapter R. A. M. No. 4. Wednesday, 8:00 P. M., at white time the Royal Arch Degree will be onferred. All companious are un d to be present.

Opinions Changed

"No, I don't think he holds those opinions now," Margolis replied. "He has become an ordinary trades union; int. He believed, I know, that he could but the position into which he is foreed as a strike organizer now does not allow that. He has not changed the American Federation of Labor ergamization; that organization has changed him."

The Plumb plan, for the operation of railroads by the employes and then purchase by the government, he said was "the first step towards the new future," while the soviet government in Russia he classed as the most for ward looking creation on the glabe far better than anything in America

Margolia' testimony practically comdeted the committee's examinations all brothers are urged to be pres- held tomorrow, at which a definite decision will be made. Members of the committee expect to commence work on a report immediately.

CAR SHORTAGE SERIOUS.

The car situation has reached nd affected this city, in its com morce and manufacture. Customers are clammoring for cars and there are none, or very few anilable. When saked to what he attribu

ted the shortage Mr. W. E. Leech gene of the M. and O. Railroad it his city said that it was chargen le to a number of reasons. Cars ad gone west for the removal of the grain crop and the Southern cetton crop is moving also. The sarketing of the varied agriculturemendous demand for cars and information of Priceless Value to has been a hard matter to supply hem even under normal conditions very large factor has been over-How to act in an emergency is looked in computing the car situaknowledge of inestimable worth, and tion.
